Oberammergau Ticket Sales

McCabe pilgrim parties are using over 90% of our allocation of Oberammergau arrangements and we are now offering the remaining places to individuals wishing to make their own travel arrangements. McCabe tickets are for the FRIDAY performances including one night's accommodation and for the SUNDAY, TUESDAY and THURSDAY performances each including two night's accommodation.

Our unique selling point is the location of our accommodation. We offer villagers homes and guest houses within walking distance of the theatre or if you wish to upgrade we have space available at the Blaue Gams Hotel in nearby Ettal.

We are offering official packages at the same price as the Oberammergau box office

The Friday one night package includes: one overnight stay with breakfast; lunch before the play; dinner during the interval; complimentary village shuttle bus service; ticket for the play; text book; ticket to the local museum.

The two night packages include: two overnight stays with breakfasts; dinner on arrival; lunch and dinner on play day; shuttle bus service; text book and museum entrance.

All accommodation is on the planned routes of the complimentary local shuttle bus system. Prices are per person sharing a twin-bedded room. Unfortunately, no single rooms are available in the village accommodation.

On selected dates we are able to offer return flights from your chosen airport to Munich and transportation both ways between Munich airport and Oberammergau. The cost would be about £300

To make a reservation

Consult the Availability List on the McCabe website. This list is constantly changing, so please call the McCabe office to check that tickets are still available.

We are selling official arrangements issued by the Oberammergau authorities and their standard conditions apply. We anticipate Oberammergau sending us vouchers during March and we will then promptly forward them to our clients.

McCabe will have their own office in Oberammergau during the Passion Play season and will be happy to be of assistance while you are in the village. Please contact us to check available dates

The Oberammergau Passion Play 15 May - 3 October 2010

The Passion Play will be performed five times each week during the season. The only day it is possible to purchase just the play ticket is each Saturday. These Saturday tickets are aimed at local people living within driving distance of the theatre and are not generally distributed to visitors from abroad. For this reason, McCabe have no Saturday tickets for sale. McCabe tickets are for the FRIDAY performances including one night's accommodation and for the SUNDAY, TUESDAY and THURSDAY performances each including two night's accommodation.

Box office prices range from £170 to £710 depending on the number of nights and the grade of accommodation you choose. The higher grades of accommodation come with the best seats at the performance. The lowest grade rooms come with the poorest seats. **The arrangements allocated to McCabe travellers are in the middle of this range.** We have accommodation in villagers homes and guest houses actually in the village of Oberammergau including Grade Two performance tickets and we have accommodation at the Blaue Gams hotel at nearby Ettal which include Grade One performance tickets. All rooms in the McCabe allocation have private facilities.

Rooms in Oberammergau are "Austrian" twins with two mattresses with separate bedding contained in a single bed frame. Proper separated beds are rare. Single rooms are not available in the village but we do have a few in our hotel.

McCabe Availability

A list of available dates is available on our website. This list is constantly changing so please phone the McCabe office to check that your preference is still available. We are not allocating named accommodation to keep flexibility and to try and room friends together in the same house. Your actual voucher, which will be issued by the Oberammergau office in March, will state the name of your guest house and also the number of the room you will be accommodated in. On arrival in Oberammergau your landlady will exchange this voucher for your play ticket, guide book, museum entry and details of your allocated local restaurant for the included meals.

McCabe Prices are the same as the Oberammergau Box Office
